Col W J Withers:-

If you will
rent- Ashland in parcels
to suit- renters, I will
take the hump patch which
is about 40 acres, and 18 acres
adjoining the hump patch,
and the orchard, & truck
patch back of the orchard,
which is about 4 acres, and
the brick house that I lived
in last year, but the house
must be cleaned & repaired
it is badly out of repair &
is very filthy, so I have
been told. I will give for the
house & about 60 acres, \$500,
with good note & security.
Respectfully Yours
